KING Cloth Tape

KING Cloth Tape is a heavy-duty, cloth-backed adhesive tape designed for general-purpose bonding, sealing and repair work on the job site. Its reinforced fabric backing tears easily by hand while resisting stretching and moisture, making it ideal for sealing floor and surface protection sheeting, bundling, and quick repairs.

Key Benefits

- Strong, reinforced cloth backing
- Tears easily by hand, no tools required
- High-tack adhesive for secure hold on multiple surfaces
- Water-resistant and durable in job-site conditions
- Available in multiple widths and colours

WATER RESISTANCE

LIGHTWEIGHT

HIGH ADHESION

RECYCLABLE

Main Applications

- Sealing joints and seams of floor, carpet and glass protection sheeting
- General construction bundling, patching and repairs
- Colour-coded marking or labelling on site
