KING Masking Tape

KING Masking Tape is a crepe paper tape with an easy-release adhesive, designed for clean, sharp paint lines and temporary holding applications. It conforms easily to curves and edges, and removes cleanly without leaving residue or damaging surfaces.

Key Benefits

- Crepe paper backing conforms easily to curves and edges
- Clean, residue-free removal
- Easy to tear by hand
- Suitable for multi-day masking without leaving gum residue
- Available in Blue and Yellow for colour coding

EASY RELEASE

LIGHTWEIGHT

RECYCLABLE

Main Applications

- Painting and edge masking
- Temporarily securing protective sheeting and film
- Bundling, labelling and colour-coded marking on site
